Once a suitable replacement flight is selected, the reservation can be modified according to the applicable fare rules +1 (866)-273-{6689} or +44 (808)-196-[2756]. If additional payment is required because the selected flight has a higher fare, the fare adjustment must be completed before the change is finalized +1 (866)-273-{6689} or +44 (808)-196-[2756].

It is important to carefully review the revised booking details, including passenger information, travel dates, airport details, baggage arrangements, and connecting flights +1 (866)-273-{6689} or +44 (808)-196-[2756].
